# Officials' Biographies

**Debbie Rodriguez** is an active dressage rider, trainer, clinician and instructor freelancing in the Williamsburg, Virginia area. Debbie is a USDF Bronze, Silver and Gold Medalist. She has coached many students to their medals through the years. She is a USEF "S" Dressage judge as well as a FEI 3\* Dressage judge. Debbie stays active in the Eventing discipline as a "R" Eventing judge. As both a rider and a judge she understands competitions from all sides. For 27 years she managed Dressage at Lexington, one of the largest dressage shows in the country only handing over management to VADA in 2017. She has a strong interest in rider fitness and with her ISSA personal trainer certification, she developed the "Success in the Saddle: Core Fitness for Equestrians" program.

**Peggy Klump** is a USEF "S" dressage judge, "R" DSHB judge, and a USDF Certified Instructor. Peggy operates Peak Performance Dressage, a dressage training and show stable for adult amateur riders and juniors in the heart of southern California. Peggy just completed her third year as President of the California Dressage Society. She has served on the CDS Board for many years, and serves as Chair of the USDF Awards Committee. Peggy is an active competitor, trainer, and coach and has achieved multiple Championship titles in CDS HOY classes, as well USDF open and freestyle HOY standings. Peggy also trains horses with non-traditional dressage backgrounds. Peggy's experience with horses began very early, as her father Frank was a "wrangler" (animal trainer for the motion picture and television industry) for more than 40 years. This exposure gave Peggy an innate understanding of horses and small animals. Peggy honed her skills as a "catch rider", showing all breeds and disciplines, ranging from western stock seat divisions, including reining and trail horse, as well as hunters and jumpers, and even saddle seat. Following her graduation from college, Peggy lived in Germany for three years and took dressage and jumping lessons in Stuttgart and Berlin.

**Robin Birk** is the owner of Timber Ridge Equestrian Center where she operates a breeding program and dressage training facility. Robin really enjoys training young dressage horses at her farm in Ruffs Dale, Pennsylvania and is also an approved young horse trainer by the American Hanoverian Society (AHS). When not training, instructing or judging, Robin also previously worked in the Pittsburgh steel industry where she is a safety and industrial hygiene professional.

**Jean Thornton** became a USDF "L" graduate at age 22 and is a USEF licensed "R" dressage judge and USDF Bronze, Silver and Gold Medalist. She has a B.S. from the U of MN in interior design has achieved her USDF Gold Medal Rider Award, her USDF University Silver Diploma, has completed the Colorado State University short course in Equine Reproductive Management and Artificial Insemination and has been instructing for over 20 years. Jean raises, trains and sells young Warmbloods on her 20 acre farm in DeLeon Springs. Now she is focusing primarily on producing palomino Warmbloods to sell and also to create her dream of competing with a team of four palomino sporthorses in combined driving events.

**Andrea Davenport** is a "r" Dressage Technical Delegate living in Talladega, Alabama. She began riding from childhood in her hometown of Alexandria, Virginia, and continued to cultivate her education during her time at East Tennessee State University, where she obtained her undergraduate degree in Biochemistry and Molecular Biology. She now owns and operates Flight Line Dressage Shows, LLC. and is an active member of the USDF Competition Management Committee, Adult Programs Committee, and the Diversity Equity and Inclusion Task Force. Andrea is also an FEI Dressage Steward.

## USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

**USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

**This  
competition  
is recognized  
by USDF  
for 2023**

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

**Exceptions:**

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

**Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
